Imagine...

- A beautiful, 23 acre **Sculpture Prayer Garden,** in the heart of the "Texas Hill Country", where visitors can find God, just 60 miles northwest of San Antonio, Texas.

- A world-class landscaped park with beautiful flowers, meditation gardens, waterfalls, walking trails, picnic tables, music troubadours, story tellers, wildlife viewing areas and some of the most dramatic views in the state of Texas!

- A tranquil park filled with more than a dozen Christ-honoring, monumental bronze sculptures, worth more than three million dollars, created by internationally collected Christian artists.

- A place in the USA, at the same latitude as Israel that looks like the Holy Land, with more than 3,500 massive 1.25 ton, limestone blocks!

- A flower lined, 300' cross-shaped Garden, where the Gospel of Jesus Christ is presented in three languages, on 16" Scripture Tiles ever 12', where people can literally pray to know Christ, at the "foot of the cross."

- A breath-taking 77' 7" Cor-tin Steel, open cross sculpture, called ***"The Empty Cross"*** ™, which has a 40' cross arm and a dramatic 7' wide center space, that extends upward seven stories!

- This free, non-profit, non-denominational Garden is being built now on faith, without debt, through the generous donations of Christians from across America, so that others might know the love of Jesus Christ.

- The Kerrville Garden will be open to the public when enough tax-deductible donations are received to complete this ambitious, Christ-honoring project. We need your help!

Now it shall come to pass in the latter days that the mountain of the Lord's house shall be established on the top of the mountains, and shall be exalted above the hills; and nations shall flow to it. Many people shall come and say, "Come, and let us go up to the mountain of the Lord, to the house of the God of Jacob; He will teach us His ways, and we shall walk His paths."
