Wildlife and Archery Art

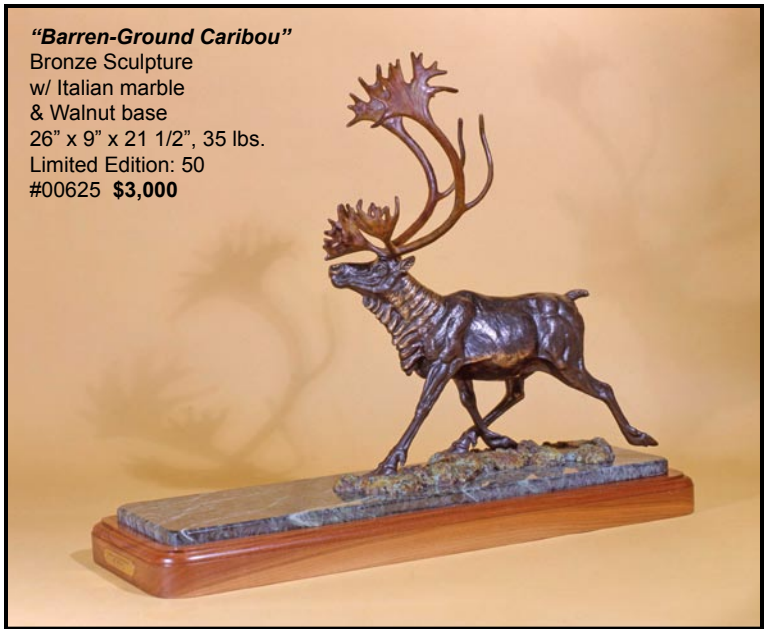

Max Greiner, Jr. grew up loving the "Great Outdoors" and making things with his hands. His earliest years were spent camping, hunting and fishing with his dad and family in southeast Texas. Max's first oil paintings and permanent sculptures were of animals. By the age of 17 he had earned the rank of **Eagle Scout**, attended the **XII World Jamboree**, taken his first deer with a bow, formed his first archery club, published his first article in a national hunting magazine and met his future bowhunting buddy, Sherry!

Max and Sherry started their art business in 1978. At the time, the primary focus of Max's art was nature and wildlife, which he depicted in drawings, paintings, jewelry and bronze sculpture. By the grace of God, Max's artwork sold quickly. Max's first eight annual wildlife bronze sculpture editions sold out. They doubled and tripled in value on the resale market. Max's indepth understanding of wildlife, and his ability to depict the character of the animals made his work a favorite with collectors.

In 1989, the focus of Max's art changed from the creation to the Creator.

16" Display Tiles

Max has combined his enduring art images and Bible scriptures to create beautiful **Art Display Tiles**. They can be displayed on an easel or attached to a wall, floor, counter or backsplash as an accent piece.

Favorite Bible scriptures have been sandblasted into beautiful beige 16" ceramic tiles. They fulfill the words of Jesus when He said: **"I tell you, He replied, "if they keep quiet, the stones will cry out."** (Lk 19:40) Since the Bible verses are engraved into "stones" these tiles will "cry out" forever! Even **NASA** used durable ceramic tiles on the Space Shuttle!

Suggested Application: Greiner 16" Etched Tiles can be glued to standard 2" thick concrete pavers (that cost about \$1.00 each) with industrial adhesive, to create a path in your own prayer garden! These stepping stones are a beautiful yet subtle way to share God's love!

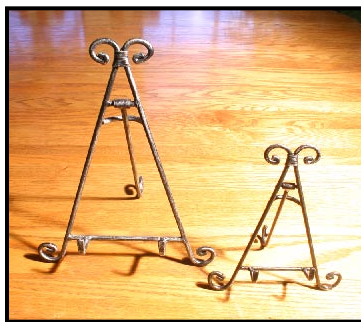

Greiner **Etched Tiles** are available in three sizes and can be used as **Coasters, Trivets, accent pieces** and paperweights. Custom logos and ranch brands can also be sandblasted into the tiles to create personalized gifts.

The handsome tiles are backed with genuine cork and can be used as **Trivets, paperweights** or accent pieces. They can be displayed on small easels, or permanently attached to walls, floors, desks, mantles or counters.
