### Meaningful Artwork To Consider For CHRISTmas!

At the age of 35 in 1986, God called artist, Max Greiner, Jr. to create artwork that honors Jesus Christ. As a result, the entire direction of Max's life and art changed as the Holy Spirit specifically directed him to create unique Christian compositions that had never been seen before. Today, Max's original art is collected in all 50 states and over 65 countries. Small versions of his monumental compositions are available in a variety of mediums, sizes and prices to those who want to own or give a meaningful piece of Christian art this CHRISTmas!

# 12" Wooden Crosses

"The Empty Cross" in wood makes a beautiful display which complements any collection of crosses! However, these crosses are unique to all other crosses in that they are in perfect scale with the 77" cross, at THE COMING KING SCULPTURE PRAYER GARDEN, in Kerrville, TX. Even the native, red Mesquite wood is similar to the reddish brown patina of the giant Cor-ten steel sculpture. This color symbolically represents the shed blood of Christ.

These wooden crosses feature the artist's signature and his "Christian Butterfly"® logo, which are laser engraved into the wood next to the Bible verse, Hebrews 12:2.

The symbolic open cross design points to the Resurrection of Jesus, who is the Narrow Gate, the Way, the Door, the Strong Tower, the Mighty Fortress and the Light of the World. Each cross is individually hand-made in Texas by Master Craftsmen who love the LORD and pray over their work.

# 24" Wooden Crosses

Beautiful, 24" wooden sculptures of "The Empty Cross" are now available in Walnut and Mesquite. These crosses can be mounted to a wall or displayed as free-standing sculptures. Each cross is individually handmade by some of the best Christian Master Craftsmen in the Texas Hill Country! Each cross has the laser engraved "Christian Butterfly"® logo and signature of artist, Max Greiner, Jr. In addition, the Bible verse, Hebrews 12:2 is engraved into each cross.

Max Greiner, Jr. has a 1974 architectural design degree from Texas A&M University and can design large scale versions of "The Empty Cross" for any architectural application. For example, this cross can be made in 3', 7', 10' and 12' to be mounted to a wall, suspended in space with wires, or set up as a free-standing sculpture.

Light can pour out from the center of the cross to provide a powerful Resurrection effect.

Contact our office to discuss larger versions of "The Empty Cross" for your ministry, church, Sunday School class or office.

Exquisite craftsmanship is evident in the precise "Box Joint" connections of the hand-made crosses.

# “THE COMING KING”<sup>®</sup> SCULPTURE PRAYER GARDEN

On 12/09/01, God called Sherry and me to build free Sculpture Prayer Gardens across the world to bring glory and souls to Jesus Christ. A prophetic word was spoken over us by Dr. Mahesh Chavda, who was the guest speaker at Cathedral of Praise church in Austin, TX.

Eight months later another stranger, Marlon Quibodeaux, a business man/evangelist from Beaumont, TX emailed and said God wanted me to create a 77'7" cross sculpture to be erected over IH-10. When I prayed about this strange request, I received an unexpected vision from God. I saw a 300' cross-shaped garden, with my monumental Christian sculptures in the points of the cross. I saw the Gospel in scripture presented in multiple languages, and a giant, hollow, empty cross at the end of the garden. I saw cars lined up to get in!

It has been almost 14 years since this divine vision was given. Today, by the grace of God, hundreds of thousands of people have already been drawn to Jesus Christ at the first prototype garden being built now on 24.5 acres of land, on IH-10.

The spiritual garden is now Kerrville's top, year-round, daily tourist attraction, drawing hundreds of visitors every day. The largest documented crowds have been over 700 visitors per day. People have come from all 50 states and at least 41 countries. Thousands have been "Born-again and empowered with the Holy Spirit. Thousands have experienced genuine miracles. Dozens claim to have experienced physical and emotional healing. Over a dozen people even canceled their suicide plans, after praying the prayers posted inside the massive cross.

This unfinished spiritual garden is touching hearts, despite the fact that we have been in a major spiritual battle ever since we announced in the media that a seven story cross would be raised over IH-10. We have been threatened, attacked, deceived, slandered, betrayed, cursed, sabotaged, audited, robbed, sued, vandalized and ridiculed by atheists, witches, Satanists and others who hate "The Empty Cross".

Sherry and I want to thank everyone who has stood with us in the battle to publically lift up Jesus Christ! Thank you!

We still need funds to finish this is a multi-million dollar, soul-winning garden! From the very beginning, THE COMING KING FOUNDATION has built this garden on faith in God, without debt! Even though the art, the land, and much of the work (worth millions of dollars) have been donated by Christians, including our family, more money is needed to finish this grand project.

Sherry and I want to thank you for purchasing my artwork, which allows us to give to this special project. Thank you for donating your time or treasure to build the garden. Would you join with us and other Christians to finish the Kerrville garden? If you want to leave a lasting impact on the world for Jesus, that will be seen by millions of people until Christ returns, please help us! All donations are tax deductible. Thanks for your prayerful consideration!
