## "LION OF JUDAH"™ Bronze Sculptures

On January 10, 2006, the Holy Spirit gave me a vision for a unique Ten Commandments monument, as I walked across the land on IH-10 in Kerrville, TX, that had been miraculously donated to The Coming King Foundation for a Sculpture Prayer Garden. Seven days earlier, the General Overseer of the Church of God denomination, in Cleveland, TN, asked Al Taylor, Director Of Stewardship, to contact me. They wanted to know if God had already given me a Ten Commandments composition. I confirmed this was true, but that the Holy Spirit had not yet revealed what the monument would look like. Al prayed for God to give me a clear picture of this new work. Seven days later I received the vision.

The new composition, called the "Lion of Judah"™, is based on Revelation 5:5, where Jesus Christ is described as the "Lion of the Tribe of Judah" by the Apostle John. I saw a vision of a powerful male lion atop a massive stone base, inscribed with Ten Commandments, the Greatest Commandments and the New Commandment. In addition, saw the names of God and key scriptures carved into the base pointing to the Messiah, Yeshua, Jesus Christ.

## Bronze Sculpture

### (105%) Life-Size

On December 8, 2008, I was forced to stop work on the big lion sculpture because of a lawsuit filed against The Coming King Foundation, of which I was President.

The 15 month lawsuit was filed to stop *"The Empty Cross"*™ from being erected on our private garden property. The lawsuit took all of my time and energy. The fierce battle for the cross also took \$200,000 out of our personal savings.

God ultimately gave TCKF the victory on March 1, 2010, but I was unable to resume work on the life-size lion sculpture because of lack of funds, and the subsequent collapse of the US economy. However, I was able to create the smaller, bronze sculptures.

Finally, in early 2017, I felt God wanted me to resume work on the life-size lion sculpture. I finished the delicate clay carving on August 10, 2017, by working around the clock.

Monte Paddleford, owner of Eagle Bronze in Lander, WY picked up the clay and delivered it to his bronze foundry. The 1,034 lb. bronze was finished on October 16, 2017 and attached to my special "Mobile Evangelism Trailer" ("MET"), which I created to win souls to Christ.

Please join us in praying that God places these majestic, Signed and Numbered, life-size lion sculptures around the USA and the world for the glory of God! Also, pray that the Holy Spirit puts one in ISRAEL, and a second lion at The Coming King Sculpture Prayer Garden in Kerrville! Thank you!

Max Greiner Jr. and Eagle Bronze owner, Monte Paddleford finished the life-size lion sculpture on 10/16/17.

The "Lion Of Judah"™ bronze sculptures can be placed on top of a Ten Commandments base, featuring scripture and the Names of God.

The "Artist Copy" life-size (105%) bronze sculpture arrived at the Greiner Ranch on 10/19/17.

The Greiners hope that churches, missionaries, schools and ministries will use the lion bronze on a special display trailer to win the lost to Christ.

## “LION OF JUDAH”™ “MOBILE EVANGELISM TRAILER” (“MET”)

In the summer of 2017, the Holy Spirit gave me an “out of the box” evangelism idea using my new “*Lion Of Judah*”™ life-size bronze sculpture. God told me to create a “Mobile Evangelism Trailer” (“MET”) that could be used by evangelists, missionaries, churches, ministries and Christian schools to win the lost to Christ.

In the beginning, November 12, 1990, after exhibiting my new, life-size “*Divine Servant*”® bronze at the Baptist/General Convention of Texas, God instructed me to never cover up my sculptures when I traveled. Therefore, I never covered my monumental sculptures again! Only God knows the actual number, but hundreds of thousands, possibly millions of people have seen my Christ-honoring monumental sculptures, as I traveled with an open trailer for the last 28 years across the Continent. By the grace of God, I was able to lead many to Jesus, after they approached my trailer, when I stopped.

Therefore, if someone will use my new “*Lion Of Judah*”™ life-size bronze for road evangelism, Sherry and I will give a new, custom, 12’ art display trailer with each sculpture. The bronze will be delivered with the majestic lion professionally attached to the trailer. Eight evangelistic Bible verses will be displayed on the sides of the trailer. The front and back of the trailer can be customized for the ministry. For more information on this “MET” soul-winning idea, please contact us!

Max photographed the new sculpture on his return trip from the Lander, WY foundry, when he crossed the “Continental Divide.”

Max Greiner, Jr. plans to exhibit his new bronze sculpture across America during 2018. The majestic lion was first publically exhibited in Waco, TX, to 10,000 people at the Billy Graham Evangelistic Association “DECISION TEXAS” event at Baylor University.

# "LION OF JUDAH"™ Bronze Sculptures

My "Lion Of Judah"™ composition is also available in various sizes to meet different needs, including public display, personal gifts and awards. I sculpted the lion in 1/24, 1/12, 1/6, 1/3 and 1/2 life-sizes. All of my bronze sculptures are "Signed & Numbered".

Each of the sizes can be delivered by CHRISTmas (first come, first serve) except for the 1/3 and 1/2 life-size bronzes. These two larger sizes still need to be finished in clay, which will be done as soon as we get an order. Therefore, the #1 castings are still available on these two editions.

All of my sculptures, no matter the size or medium, carry the anointing of God, I believe. This lion was God's idea. He gave me the talent to produce this art. "Lost Wax" cast bronze sculptures can literally last for thousands of years. Our guarantee ends when Christ returns as the King of kings, Lord of lords and as the mighty lion of the tribe of Judah!

**Bronze Sculptures**

The smallest lion I carved out of wax is 1/24 life-size. This bronze is available on four different walnut bases, for many different purposes.

The 1/24 life-size bronze can be ordered with the Ten Commandments base, with laser engraved scripture and the names of God. It can also be ordered with a walnut "Keepsake Box" as its base. The sculpture can also be mounted to a round walnut base, with a brass name plate. Finally, this sculpture can come with a rectangular base and used as an Award. There is room for the brass plate to be personalized at your local trophy store.

Each bronze sculpture comes with a card which explains the composition, and features my personal testimony for Christ.

# “The Coming King<sup>®</sup> Sculpture Prayer Garden”

Sherry and I would like to personally invite you to visit the 24.5 acre Sculpture Prayer Garden at the main entrance of Kerrville, TX, in the heart of the Texas Hill Country! This free, non-denominational Christian art garden features all of my monumental sculptures, which Sherry and I donated to the garden for the glory of God. This garden park is the only place on earth where all of my monumental sculptures can be viewed at one location.

However, the art is not the main reason you should visit this “Garden Tabernacle”. The primary reason is that God Almighty is manifesting His presence to thousands of people from across the world, at this art park! Yes, God is everywhere...but He is showing off on a 1,930’ hill above IH-10 in Texas, at the same latitude as ISRAEL!

Sherry and I want to thank the thousands of donors, from across America, who have made this non-profit garden possible. Our desire since 2002, was to build this garden to honor Jesus Christ. Now, over one hundred thousand people a year visit the park! Restrooms, the front entrance and the new “Lion Of Judah”™ Fortress are our next financial priorities. Thank you for making a tax deductible gift before the end of the year, if possible!

Aerial view of 300’ long cross-shaped Sculpture Prayer Garden was taken on 8/10/17.
