## Holy Spirit Inspired Artwork

"The Lord said to Moses, " See I have chosen Bezabel son of Uri, the son of Hur, of the Tribe of Judah, and I have filled him with the Spirit of God, with skill, ability and knowledge in all kinds of crafts to make artistic designs for work in gold, silver and bronze, to cut and set stones, to work in wood, and to engage in all kinds of craftsmanship."

Exodus: 31:1-5

### Artist's Biography

God made Max G. Greiner, Jr. an artist on December 16, 1951. Today, his drawings, paintings, sculptures, jewelry and art gift designs are collected in all 50 states and around the world. Max's work is in the collections of popes and preachers, presidents and governors, international business leaders and the stars of sports, music, TV, and movies.

Max graduated in 1974 from **Texas A&M University** with an architectural degree. During the next four years, he practiced architecture in Dallas, and then advertising in Southern California. In the spring of 1978, Max and Sherry moved to Woodville, TX to begin their own fine art business. Max's art included beautiful landscape oil paintings, drawings, wildlife bronzes, and original jewelry in gold and silver.

In 1986, God began to take over the Greiner art business when the Greiners faced serious personal trials. As a result, the focus of Max's art changed from the "creation" to the "Creator." In May of 2004, Max and Sherry founded **The Coming King Foundation** to bring glory and souls to Jesus Christ, by creating beautiful, free **Sculpture Prayer Gardens** across the USA and world.

Max's first Christian composition was the **"Divine Servant"®**. The artist is pictured above with the life-size (105%) bronze sculpture.

## YOU CAN'T EAT ART!!!

You can't eat art, but it can feed your soul! Throughout history art, architecture, literature and music have provided mankind with something very special and lasting. Visual art brings beauty and peace into our lives. It endures and provides us pleasure that can be passed down the generations. It inspires, challenges and causes us to ponder. It adds meaning to our lives, and can touch us at a deep spiritual level. Art can remind us of who God is, and who we are in God.

Perhaps one reason art is so special is because we all start life as "artists", and we intuitively know that God is an artist. He gives us the opportunity to create, because He knows there is a joy in the creation process. We can make something that did not exist before, whether it be art, music, poetry or something else. I know my talent and best ideas come from God. I have learned to ask and listen. Over the years, the "Great Sculptor" has sculpted me! It has been painful at times. However, the clay quit fighting the Sculptor years ago. Allow the Sculptor to sculpt you, and you will be amazed at His work!
