## Merry CHRISTmas!

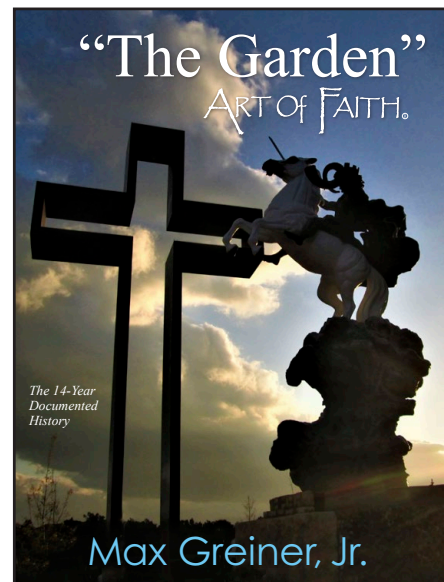

The King of glory is on His throne! Thanks to you, Sherry and I have lived in the woods and made our living from my artwork for 42 years! Neither of us have had "real" jobs since 1978, by the grace of God! Plus, we only work half a day... any 12 hours we want! Most of what we create can last for a thousand years! It mainly points to Jesus Christ, the One who made me. Sherry and I want to thank you all for taking my art into your hearts and homes!

Years ago, we mailed printed art catalogs. The world has changed. However, good fine art is still treasured today, even in our high-tech society. Therefore, this is our digital art catalog, which only shows a fraction of my available artwork. In my life, I have endeavored to create beautiful and inspiring art, architecture, photography and writing. Currently, we sell my drawings, paintings, prints, sculptures, jewelry, fine art gifts and my first book. Prices start at \$4.00 and go up!

I have used my training and God-given talents to provide for my family, have fun, bless others and lift up my LORD! In 1986, I promised God that I would always witness my faith with every art creation I sell. As a result, all these years later, I still include a personal testimony for Jesus with my all art creations. By the grace of God, the Holy Spirit has used my art and our testimony to touch millions of people around the world. Thank you for making this possible with your patronage and prayers! If you are looking for high quality, meaningful gifts, we appreciate your consideration of my work!

Max creates a personal pencil sketch for each of his 100 Signed & Numbered (Hardback/Color) Special Edition books.

There are three versions of Max's new 490 page (8.5" x 11") 3 lb. book: B&W Soft Cover, Color Soft Cover and Color Hard Cover (Edition of 100).

*The Ichthus Fish Symbol  
 transformed into a  
 Beautiful Butterfly!*

**“Christian  
 Butterfly”®**

The “Christian Butterfly”® is the copyrighted and trademarked creation of Max Greiner, Jr. The original design combines the historic Christian Ichthus fish symbol and the butterfly. The fish is the secret symbol of early Christians. The butterfly represents new life, transformation and the Resurrection.

In early October of 1986, I was trying to think of a unique jewelry composition to make for Sherry on her 34th birthday. In desperation, two weeks before her birthday, I cried out: “God! I give up! I need a good idea quick, please!” Suddenly, the image of butterfly wings attached to the Ichthus symbol formed in my mind’s eye! The tail of the fish became the antenna of the butterfly! I immediately responded: “Great idea LORD!”

## "YESHUA"™ Bronze Sculpture (Life-size 105%)

In 2016, God called me to create a bust sculpture of Jesus Christ, the Messiah of the Jews. This composition gives people a strong visual image of the LORD, as He might have looked on earth 2,000 years ago. I sculpted the life-size (105%) bust out of wax, after which it was cast in durable bronze. My scriptural reference was Luke 4:18 and Isaiah 61:1. These Bible verses relate to the coming of the Messiah, which Jesus Christ fulfilled.

The life-size bronze bust is the perfect size for indoor spaces, in church-es, ministries, schools, offices and even homes. The Bible tells us that God made artists like Bezalel (Exodus 31:1) to create beautiful works of art and craftsmanship, so God could use them to bless people and bring glory to Himself. The "Yeshua"™ artwork will be used by God to bless thousands of people.

To the Jews, the Messiah is known as "Yeshua"™, His Hebrew name. The world still needs to know the Messiah, the Savior of the world. Sherry and I pray that this composition will be used by God to penetrate the hearts of thousands of people, when they see the face of "Yeshua"™!

Sherry and I sincerely thank you for giving my artwork a good home! Remember, if you give one of my sculptures to your church, ministry or Christian school, the total price is fully tax-deductible in the USA. Plus, 501c3 non-profit organizations receive an automatic 15% discount for Orders over \$300.

# “The Coming King® Sculpture Prayer Garden”

Sherry and I want to personally invite you to visit the 24.5-acre spiritual art park we founded in the heart of the Texas Hill Country! This free, non-denominational Christian Garden features about 2.5 million dollars’ worth of monumental sculptures donated by the families of three professional artists: Beverly Paddleford, David Broussard and myself. 77 Bible verses (in three languages) are presented on 16” Scripture Tiles in a path that leads to a 77’7” Cor-ten steel sculpture called “The Empty Cross”. The unique sculpture is the most symbolic cross sculpture in the world.

The peaceful park features Prayer Paths, Prayer Circles, picnic tables, an amphitheater, a Baptismal waterfall called the “Living Water Fountain”. Native Texas plants, wild flowers and almost 50 Big Tooth Maple trees grace the property. 24/7 praise and worship music surround the cross 365 days a year. The 1,930’ hilltop is approximately halfway between the Atlantic and Pacific Oceans on IH-10, at the same latitude as ISRAEL.

We want to thank all those who have helped us build this “Garden Tabernacle” for Jesus. Prayerfully consider making a tax-deductible donation to this unique outdoor (501c3) Art Museum so it might continue to be free to the public. Thank you!
