## Happy Thanksgiving & Merry CHRISTmas from our family to yours!

Greetings in the name of the LORD! Would you consider giving my original artwork to the people you love? God has given me powerful ideas during my lifetime. No matter the size, medium or price, my compositions point to God.

I have designed, carved, drawn, painted, and photographed my original, copyrighted and trademarked work. Expert craftsmen help me bring my art to you! I ask for the Holy Spirit to give me His ideas. Each piece of Greiner work comes with His anointing and my personal testimony for Jesus Christ. It has the potential to bless millions of people. And, my creations don't need batteries, gas or electricity! Some can last a thousand years! You can't get that with an iPhone!

So, if you want to give a meaningful gift, that lifts up Jesus Christ, which can be passed down through the generations, consider giving Greiner creations this year!

To purchase my work, visit our website, order online, call, email or visit our ARTISTS GALLERY & GIFT SHOP. It is located at the entrance of THE COMING KING SCULPTURE PRAYER GARDEN in Kerrville, at 520 Benson Dr. Sherry and I rent this small exhibit space from THE COMING KING FOUNDATION. We also present the artwork of the other two donor artist families, the Paddlefords and Broussards. By the grace of God, our gifts made the free, spiritual art park in Texas possible.

Sherry and I appreciate your patronage and prayers all these years! We started our fine art business in 1978. We haven't had a real job since! However, we got down to \$40 in the bank and had to eat a lot of squirrels, venison and fish from the lake in the early days! God bless, prosper and heal you and those you love during this holy time of year!

In the King's Service,

## Art Gifts - \$3 to \$24

"I can tell you that Max Greiner, Jr. is a volcano of imagination. I make this observation with reference to hundreds of design students I have seen over sixteen years. If there were a scale of physical and mental energy output, Max could be used as the standard by which others are measured."

Alan L. Stacell, Environmental Design (1976)  
College of Architecture, Texas A&M University

During his lifetime, God has given artist/evangelist, Max Greiner, Jr. a number of unique, original, Christ honoring compositions. No matter the price, the LORD has anointed Max's work to carry His message.

Truly I tell you anyone who gives you a cup of water in My name because you belong to the Messiah will certainly not lose their reward.

These words I am commanding you today are to be upon your hearts. And you shall teach them diligently to your children and speak of them when you sit at home and when you walk along the road, when you lie down and when you get up. Tie them as reminders on your hands and bind them on your foreheads. Write them on the doorposts of your houses and on your gates.

DEUTERONOMY 6: 6-9

# Resin Sculptures

\$58 to \$416

*"I would categorize Max as a person who settles for nothing less than perfection, but who does not become bogged down in minutia which might prevent success. I have particularly noted a constant drive to improve his own abilities, his creative solutions to problems, his ability to teach and inspire others, and his tenacity in meeting goals, regardless of the obstacles which may crop up along the way."*

Chairman, National Bowhunter Foundation  
Bowhunting Chairman, National Field Archery Association  
Director, High Adventure, Boy Scouts of America

## Resin Sculptures

Resin Sculptures are cast from molds. They maintain the precise detail of the artist's original carving. They are much less expensive than bronze or pewter, since they are not metal. Resin sculptures are cast from a special polyester epoxy material. This substance is often referred to as Bonded Bronze or Cold-cast Bronze, when bronze powder is mixed in.

Greiner's resin sculptures are finished to look like bronze. They are often mounted to a walnut or marble bases. Resins weigh less than metal sculptures and are breakable. They are not intended for outdoor display.

Because Max's compositions honor God, they carry His message and anointing. No matter the size, price or material, Greiner art is treasured for years!

*"But now,  
O LORD, You  
are our Father; we  
are the clay, and  
you are our Potter  
we are all the work  
of Your hand."*

Dr. Pat Robertson (1992)  
"The 700 Club"

Chairman, Christian Broadcasting Network

## Pewter Sculptures

Pewter Sculptures are metal, primarily made from tin, mixed with zinc, bismuth, copper and antimony. The "Sand-casting" and "Lost-wax" Casting process dates back to the Egyptians, Greeks, Romans and Chinese.

Pewter casting arrived in North America with the colonists at Jamestown, in 1610. The most famous American Pewter Smith was Paul Revere. The artist made the historic midnight, horseback ride to Lexington in 1775, at the beginning of the American Revolution. He famously warned: "*The British are coming!*"

Max started using lead-free Pewter to cast his small "Divine Servant"® sculptures in 1990. The white metal has the ability to capture precise detail. Less expensive than bronze, pewter is very durable and perfect for casting small sculptures, jewelry and medallions.

Then the LORD said to Moses,  
"See, I have chosen Bazolel son of Uri,  
son of Hur, of the tribe of Judah, and  
filled him with the Spirit of God, with  
skill, ability and knowledge in all kinds of  
crafts ~ to make artistic designs in gold,  
silver and bronze, to cut and set stones,  
to work in wood, and to engage in all  
kinds of craftsmanship.

## Cor-Ten Steel

Cor-ten Steel, also known as "Weathering Steel", is used for Greiner's largest sculptures of "The Empty Cross". This unique steel acquires a permanent, dark blood-red patina after being exposed to the elements. This eliminates the need for painting in the future.

Greiner's unique cross has a Carbon Steel "skeleton" under the Cor-ten Steel "skin". It appears to "bleed", after "scouring". This cross symbolizes the Open Door, Way, Light, Strong Tower, the Mighty Fortress and Resurrection.

But I, when I am lifted up from the earth, will draw all men to Myself.

# SCULPTURE GARDENS!!!

## Small to Large

Max Greiner, Jr. (70) graduated in 1974 in the top of his class from the College of Architecture, at Texas A&M University. This training and his God-given talents allowed him to achieve success in the fields of art, architecture, landscape architecture, photography, graphic design, product design, jewelry design, advertising, marketing and writing.

In the spring of 1986, the Holy Spirit gave the 35-year old artist his first divinely inspired composition, the "Divine Servant"®, after being called to create artwork which honored Jesus Christ.

After two years of disobedience, the artist finally yielded to this call on his life. Today, Greiner Christian artwork has been viewed by millions of people around the world. His historically unique, copyrighted and trademark compositions have become well known. Max and his wife, Sherry have dedicated their lives to bringing others closer to Jesus Christ.

### CUSTOM SCULPTURE GARDENS

During his lifetime, Max has designed over a hundred unique sculpture bases and prayer gardens, large and small. Greiner provides free architectural consultation to anyone who purchases his monumental sculptures.

### COVENANT CERTIFIED GARDENS

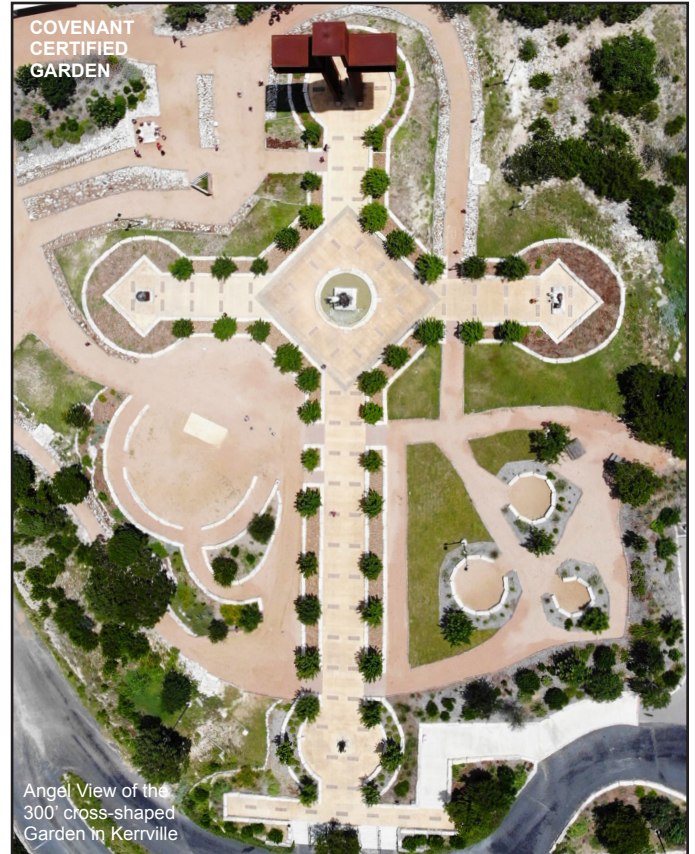

On December 9, 2001, God publicly called Max and Sherry Greiner to "Restore the Tabernacle of David," by establishing free, Sculpture Prayer Gardens across the world, to bring glory and souls to Jesus Christ. On May 6, 2004, The Coming King Foundation was created as a 501c3, non-profit, "art museum" to inspire, educate and encourage all people.

For those interested in building one of these evangelistic "Covenant Certified Gardens" on their property, according to the precise, cross-shaped design given to the artist, Greiner will provide free architectural consultation and "The Empty Cross"™, in any size, at the actual foundry cost.

The Greiners want to make Christ known.  
Would you join them in this spiritual adventure?

*"This Is the most beautiful place in the United States of America. Every country in the world should have a place like this. It is peaceful here. This is the only country in the world that has a garden like this. God deserves this and more because He is the best!"*
