Holy Spirit Inspired Artwork

"The Lord said to Moses, " See I have chosen Bezabel son of Uri, the son of Hur, of the Tribe of Judah, and I have filled him with the Spirit of God, with skill, ability and knowledge in all kinds of crafts to make artistic designs for work in gold, silver and bronze, to cut and set stones, to work in wood, and to engage in all kinds of craftsmanship."

Exodus: 31:1-5

Artist's Biography

God made Max G. Greiner, Jr. an artist on December 16, 1951. Today, his drawings, paintings, sculptures, jewelry and art gift designs are collected in all 50 states and around the world. Max's work is in the collections of popes and preachers, presidents and governors, international business leaders and the stars of sports, music, TV, and movies.

Max graduated in 1974 from **Texas A&M University** with an architectural degree. During the next four years, he practiced architecture in Dallas, and then advertising in Southern California. In the spring of 1978, Max and Sherry moved to Woodville, TX to begin their own fine art business. Max's art included beautiful landscape oil paintings, drawings, wildlife bronzes, and original jewelry in gold and silver.

In 1986, God began to take over the Greiner art business when the Greiners faced serious personal trials. As a result, the focus of Max's art changed from the "creation" to the "Creator." In May of 2004, Max and Sherry founded **The Coming King Foundation** to bring glory and souls to Jesus Christ, by creating beautiful, free **Sculpture Prayer Gardens** across the USA and world.

Sherry Greiner welcomes **"The Empty Cross"** to **The Coming King Sculpture Prayer Garden** on 10/30/09.
