Holy Spirit Inspired Artwork

"The Lord said to Moses, " See I have chosen Bezabel son of Uri, the son of Hur, of the Tribe of Judah, and I have filled him with the Spirit of God, with skill, ability and knowledge in all kinds of crafts to make artistic designs for work in gold, silver and bronze, to cut and set stones, to work in wood, and to engage in all kinds of craftsmanship."

Exodus: 31:1-5

Artist's Biography

God made Max G. Greiner, Jr. an artist on December 16, 1951. Today, his drawings, paintings, sculptures, jewelry and art gift designs are collected in all 50 states and around the world. Max's work is in the collections of popes and preachers, presidents and governors, international business leaders and the stars of sports, music, TV, and movies.

Max graduated in 1974 from **Texas A&M University** with an Environmental Design degree from the College of Architecture. During the next four years, he practiced architecture in Dallas, and then advertising in southern California. In the spring of 1978, Max and Sherry moved to Woodville, in Southeast Texas to begin their own fine art business. Max's art included landscape oil paintings, drawings, wildlife bronzes, and original jewelry in gold, silver and bronze.

In 1986, the Greiners faced a variety of serious personal trials. As a result, the focus of Max's art changed from the "creation" to the "Creator." In May of 2004, Max and Sherry formed **The Coming King Foundation** to bring glory and souls to Jesus Christ by creating beautiful, free **Sculpture Prayer Gardens** across the USA and world.

Sherry Greiner blew the shofar after "**The Empty Cross**"™ was erected on 7/27/10.

NEW CREATIONS !

In 2010, Max created the largest and smallest sculptures of his 32 year professional art career. "**The Empty Cross**"™ design, inspired by God in 2002, was made in Sterling Silver as a 1 ¼" long piece of jewelry. This past summer a 77' 7", 70-ton steel version was erected in **The Coming King Sculpture Prayer Garden** overlooking IH-10 in Kerrville, TX. The raising of this unique \$2,000,000 hollow cross sculpture made national and international news.

This past summer Max also developed a new art gift line which he calls **Etched Tiles**. These beautiful, yet durable ceramic tiles have been sandblasted in deep relief with Max's copyrighted art designs and favorite Bible scriptures.

This unique artwork is priced at \$8, \$16 and \$70. The **Etched Tiles** can be displayed in a variety of ways.

Hundreds of different Greiner art creations are available for immediate delivery as meaningful art gifts that can be passed down through the generations! All of Max's copyrighted and trademarked designs are made of the best materials, created at the highest quality possible, using the best craftsmen available. Please visit our website to see the full selection of Greiner art creations. Thank you for purchasing and recommending Max's art for the last 32 years! Please let us know how we can serve you!

16" Art Display Tiles

Max has combined his enduring art images and Bible scriptures to create beautiful **Art Display Tiles** (16" x 16" x 1/4" thick). They can be displayed on an easel or attached to a wall, floor, counter or

backsplash as an accent piece. When glued to standard 16" square concrete pavers (that cost about \$1.00 each) the **Etched Tiles** can be used to create your own meaningful prayer garden paths.

16" Scripture Display Tiles

Suggested Application: Greiner 16" **Etched Tiles** can be glued to standard 2" thick concrete pavers (that cost about \$1.00 each) with industrial adhesive, to create a unique garden path in your own prayer garden! These stepping stones are a beautiful yet subtle way to share God's love!

Favorite Bible scriptures have been sandblasted into beautiful beige 16" ceramic tiles. They fulfill the words of Jesus when He said: **"I tell you," He replied, "if they keep quiet, the stones will cry out."** (Lk 19:40) Since the Bible verses are engraved into "stones" these tiles will "cry out" forever! Even **NASA** used durable ceramic tiles on the Space Shuttle!

Bronze Sculptures

Max Greiner, Jr. grew up loving the "Great Outdoors" and making things with his hands. His earliest years were spent camping, hunting and fishing with his Dad and family in southeast Texas. Max's first oil paintings and permanent sculptures were of animals. By the age of 17 he had earned the rank of **Eagle Scout**, attended the **XII World Jamboree**, taken his first deer with a bow, formed his first archery club, published his first article in a national hunting magazine and met his future bowhunting buddy, Sherry!

Max and Sherry started their art business in 1978 in east Texas. At the time, the primary focus of Max's art was nature and wild-life, which he depicted in drawings, paintings, jewelry and bronze sculpture. By the grace of God, Max's artwork sold quickly. Max's first eight annual wildlife bronze sculpture editions sold out and doubled and tripled in value on the resale market. Max's in-depth understanding of wildlife, and his ability to depict the character of the animals made his work a favorite with collectors.

In 1989, the focus of Max's art changed from the creation to the Creator due to difficult circumstances in his life. Some of his early wildlife sculptures are still available to collectors.

The Coming King Foundation

A prophetic "word" was given by Mahesh Chavda on 12/9/01 that "called" Max and Sherry Greiner to build evangelical **Sculpture Prayer Gardens** across the USA and world, for the purpose of bringing souls and glory to Jesus Christ.

The first non-profit "model" Garden is being built right now on IH-10 in Kerrville, Texas. The second Garden is being built on IH-35 in Owatonna, MN.

Your prayers and financial support can make this "vision" a reality. All donations are tax deductible in the USA. Thankyou.
