GREETINGS FROM THE HILL COUNTRY GREINERS!

We are still here and still making artwork for a living, by the grace of God! We haven't had real jobs since 1978, when Sherry and I first started our fine art business! We have been able to live our dream and fulfill our destiny, thanks to God and those of you who have purchased my artwork and prayed for us over the years! Yes, Sherry and I went through some tough times, like everyone else, but we are still married after 36 years!

We live on a beautiful 125 acre Hill Country ranch with deer and other wild animals, right out the door! As you may know, Sherry pretty much ruined my bowhunting with her rule: *"If it is named and tamed it can't be aimed!"* However, I admit it has been exciting watching wild animals, of many species, walk in the house, when Sherry calls them! To see what I am talking about, go to the new website created by Nicole Huff and me for Sherry: www.sherrysanimals.net. You may not believe your eyes! (No animals were harmed in the making of this website!)

Also, this year we formed a new division of our art business called **GREINER MEMORIALS**, since people have been using my large and small bronze sculptures to honor loved ones. You can visit this new website at: www.greinermemorials.com. For the first time in our career, we are representing the work of other artists, good friends Beverly Paddleford and David Broussard. You can see their beautiful artwork, along with mine, on the new website. Our favorite son-in-law, Justin Evans, is the Sales Manager for **GREINER MEMORIALS**. However, he is still keeping his "day job" as a coach at a middle school in Frisco, north of Dallas. Diana Shay is still teaching high school in Plano, and preparing to give birth to our first grand child, Emilie Claire Evans, due in March of 2012! Please pray for this young couple and the new baby! Thanks!

Jose Mendoza is still our Production Manager at **Max Greiner, Jr. Designs** and Ryan Huff is our Office Manager. We are all here to serve you. So, if you buy some Greiner artwork for Christmas this year you will bless a lot of families including ours!

Therefore, if you need art or art gifts, designed by an artist who lives with wild wife and wild animals, please let us know! Prices start at \$4 and we have hundreds of pieces that need a good home! We can even ship your gifts, with a card that I will sign, if you will give us the details. We can even make gift selections for you, if you give us your budget and desires! Call or email our office, or visit our websites.

Finally, we promise to provide you with high quality, meaningful artwork, some of which was inspired by the Holy Spirit, we believe!

Thanks for your prayerful consideration and for sharing my art with others! God bless you and Merry CHRISTmas!

These verses are engraved "stones" that will "cry out" forever! NASA used ceramic tiles on the Space Shuttle because of their durability.

The Coming King Foundation

A prophetic "word" was given by Dr. Mahesh Chavda on 12/9/01 that "called" Max and Sherry Greiner to build evangelical **Sculpture Prayer Gardens** across the USA and world, for the purpose of bringing souls and glory to Jesus Christ.

The first non-profit Garden is being built right now on **IH-10** in Kerrville, Texas. The second Garden is being built on **IH-35** in Owatonna, MN.

Your prayers and financial support will make this "vision" a reality! All donations are tax deductible in the USA. Thank you!
