Happy Thanksgiving & Merry CHRISTmas from our family to yours!

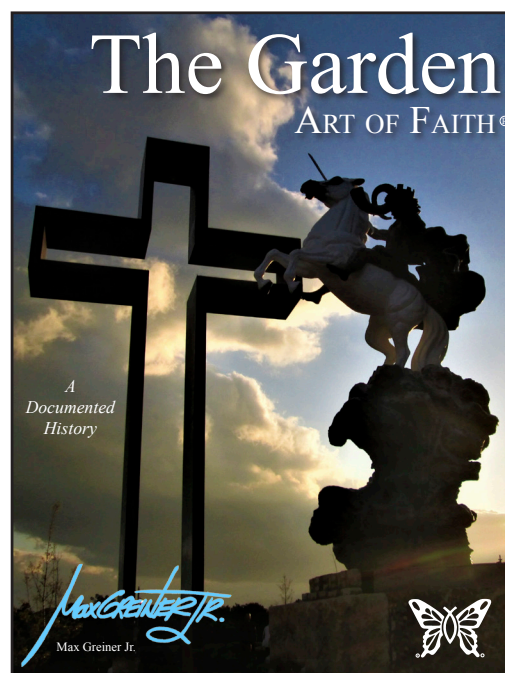

Sherry and I thank God for you who have purchased my drawings, paintings, sculptures, jewelry, photography and art gifts since 1978, when we started our fine art business in the Piney woods of southeast Texas! We ate squirrels from the trees and fish from the pond. We got down to \$40 in the bank before God launched our family art business! Thanks to you and the Lord, squirrels are now optional! My artwork is now collected in all 50 states and at least 80 countries. Prices go from \$4 to hundreds of thousands of dollars. The size ranges from 3/4" to 77" tall! I still strive to do my best work, and have it produced by the finest American artisans! Let us know if we can provide you with timeless, original, copyrighted and trademark creations from a "living" American artist!

Soon we will be adding books to our offering! For over two years, I have been writing a book about the history of The Coming King Sculpture Prayer Garden. This book will cover our miraculous journey from 2001 to the Dedication in 2015. It will contain the amazing testimony of many friends and will be available as a hardback, softcover, E-book and audio book. I will also be doing a "Remarque" sketch in the front of 100 "Signed and Numbered" copies, as a special "Collectors' Edition." I hope to have "The Garden" published by next spring. Pray!

Finally, attached is a photo of the beautiful family God has given us! Justin and Diana Shay Evans have done a great job raising three little girls, a bunch of dogs and one cat. In 2015, they started their own custom-made furniture business. After a challenging beginning, they hit the big time with their "The Collected Eclectic Home" (www.theCEH.com) business. If you are looking for some amazing custom furniture, check them out! However, you may have to wait in line behind Mr. and Mrs. George W. Bush, who have been buying their work for several years!

The last time we got a good group photo of Justin and Diana Shay's girls was at The Coming King Sculpture Prayer Garden!

For the last two years Max has been getting up between 3:30 AM and 5:00 AM to write the 14 year history of The Coming King Sculpture Prayer Garden. The expected publication date is spring of 2020.

Christian Jewelry By

Max GREINER JR.

Max created his first 14k gold jewelry, a surrealistic "Bobcat Eyeball Ring", at Texas A&M University in 1973. In the years since, he learned to ask the Holy Spirit for His designs. All Greiner creations are copyrighted, original works.

*The Ichthus Fish Symbol
transformed into a
Beautiful Butterfly!*

**“Christian
Butterfly”®**

The “Christian Butterfly”® is the copyrighted and trademarked creation of Max Greiner, Jr. The original design combines the historic Christian Ichthus fish symbol and the butterfly. The fish is the secret symbol of early Christians. The butterfly represents new life, transformation and the Resurrection.

In early October of 1986, I was trying to think of a unique jewelry composition to make for Sherry on her 34th birthday. In desperation, two weeks before her birthday, I cried out: “God! I give up! I need a good idea quick, please!” Suddenly, the image of butterfly wings attached to the Ichthus symbol formed in my mind’s eye! The tail of the fish became the antenna of the butterfly! I immediately responded: “Great idea LORD!”

“Sword Of The Spirit”®

The “Sword of the Spirit” is the Word of God. It comes from the mouth of God. The events of the “Second Coming” of Christ will be spoken into existence by Jesus Christ Himself.

Yeshua will return as the Mighty Warrior, the Lion of Judah, the King of kings and the Lord of lords. Artist evangelist, Max Greiner, Jr. has created a magnificent life-size display sword, based on his life-size bronze sculpture, “The Coming King”®.

A life-size bronze sword comes with the 18' tall (105% life-size) sculpture!

“The Empty Cross”™

Beautiful 24” wooden sculptures of “The Empty Cross”™ are now available in Walnut and Mesquite. These crosses can be mounted to a wall or displayed as free-standing sculptures. Each cross is individually handmade by one of the best Christian Master Craftsmen in the Texas Hill Country! Each cross has the laser engraved “Christian Butterfly”® logo and signature of artist, Max Greiner, Jr. In addition, the Bible verse, Hebrews 12:2 is engraved into each cross.

Max Greiner, Jr. has a 1974 architectural design degree from Texas A&M University. He can design large scale versions of “The Empty Cross” for any architectural application. For example, this cross can be made in 3’, 7’, 10’ and 12’, to be mounted to a wall, suspended in space with wires, or set up as a free-standing sculpture.

Light can pour out from the center of the cross to provide a powerful Resurrection effect.

12" Wooden Crosses

"The Empty Cross" in wood makes a beautiful display which complements any collection of crosses! However, these crosses are unique to all other crosses in that they are in perfect scale with the 77'7" cross, at THE COMING KING SCULPTURE PRAYER GARDEN, in Kerrville, TX. Even the native, red Mesquite wood is similar to the reddish brown patina of the giant Cor-ten steel sculpture. This color symbolically represents the shed blood of Christ.

These wooden crosses feature the artist's signature and his "Christian Butterfly"® logo, which are laser engraved into the wood next to the Bible verse, Hebrews 12:2.

The symbolic open cross design points to the Resurrection of Jesus, who is the Narrow Gate, the Way, the Door, the Strong Tower, the Mighty Fortress and the Light of the World. Each cross is individually hand-made in Texas by Master Craftsmen who love the LORD and pray over their work.

“The Coming King[®] Sculpture Prayer Garden”

Sherry and I would like to personally invite you to visit the 24.5 acre Sculpture Prayer Garden at the main entrance of Kerrville, TX, in the heart of the Texas Hill Country! This free, non-denominational Christian art garden features all of my monumental sculptures, which Sherry and I donated to the garden for the glory of God. This garden park is the only place on earth where all of my monumental sculptures can be viewed at one location.

However, the art is not the main reason you should visit this “Garden Tabernacle”. The primary reason is that God Almighty is manifesting His presence to thousands of people from across the world at this art park! Yes, God is everywhere...but He is showing off on a 1,930’ hill above IH-10 in Texas, at the same latitude as ISRAEL!

Sherry and I want to thank the thousands of donors from across America, who have made this non-profit garden possible. Our desire since 2002, was to build this garden to honor Jesus Christ. Now, over one hundred thousand people a year visit the park! Building a beautiful Visitor’s Center is our next financial priority. Thank you for making a tax deductible gift to TCKF, if possible!
