Miracle Audio Testimonies

God has taken Max and Sherry Greiner on an incredible spiritual journey, resulting in literally hundreds of authentic, documented, miracles. The Greiners' continuing spiritual pilgrimage, which began in September of 1976,

has been the subject of books, newspaper, magazine, book, radio, television and Internet coverage around the world.

In 1989, the Artist began receiving invitations to speak at meetings, churches, universities and seminaries across America. These classic messages describe timeless spiritual truths, which Max illustrates with contemporary miracles. Many of these stories are also written and illustrated with photographs on the Greiner websites and new book, "The Garden".

If you ever wondered if God still supernaturally intervenes in today's world, or you need your own miracle, the Greiners' testimony will bless you!

CUSTOM AWARDS

Max can design custom awards and gifts for your Trustees, staff, board members, students or donors in all price ranges, using many different materials and compositions. Custom bases, laser

engraving or brass plates can be easily added to existing Greiner sculptures.

In quantities of 300 or more Greiner, Coins, Lapel Pins, Key Rings and Medallions can be customized for ministries or companies. Let us know your needs, budget and time frame. We will design something special for you!

CUSTOM BASES

Max can design custom bases for his monumental sculptures to meet special needs. Please let us know your desires and we will try to serve you.

COMMISSIONS

Max does not normally accept commissions anymore. These days he seeks the Holy Spirit for his next assignments and searches for the people God has called these inspired designs. However, the artist is pleased to pray about any special commission to seek God's will in the matter. If the artist is unable to serve you, he will make recommendations of other artists who might meet your needs.

SCULPTURE PRAYER GARDENS

Max Greiner, Jr. has an Architectural Design degree from Texas A&M University and can assist in the design of a sculpture base or entire sculpture prayer garden at your location.

Normally, Greiner will visit the site and pray with project leaders for God's inspiration. Once the initial garden concept is conceived, the project is turned over to local contractors for completion. This design consultation service is free to purchasers of monumental Greiner sculptures.

If a developer would like to reproduce a version of The Coming King Sculpture Prayer Garden, similar to the Kerrville, TX prototype, the artist/architect will assist in the planning of the new evangelistic garden.
