Sculpture Prayer Gardens

Max creates unique bases for his monumental sculptures and designs entire sculpture gardens to display his art. Greiner graduated in 1974 from Texas A&M University with an architecture degree.

Our world is in turmoil, but the King is still on His throne! Like the ancient artist, Bezelel (Ex 35:30), God has called and gifted me to create art which points to Him and the beauty of His creation. The Bible says to focus on things that are good and beautiful. I want to create inspiring art which carries God's message and anointing.

In my 74 years of life, I have been given several powerful artistic compositions, the desire and ability to create them. Due to my age, I no longer travel to speak or display my artwork at shows and conventions. I reside on our Hill Country ranch with my faithful wife of 51 years and her critters (www.sherrysanimals.net).

So, to reach the outside world with my message and art, I use the internet. I hired some talented, spirit-filled, ladies to generate my websites, E-Blasts and creative content for FACEBOOK, INSTAGRAM and TIKTOK.

If you would like to follow the life and times of a "peculiar" Texas Aggie artist/architect who really loves Jesus, please follow us on social media. If you are NOT receiving our digital art newsletters now, please email, call or click to get on our mailing list. Thank you for support, prayers and referrals of others who might like my art.

In the King's service,

Max Greiner, Jr., Artist/Architect/Evangelist
